

WAMtastična FONOTEKA

A white dog with brown patches is sitting on a dark wooden surface, looking towards a large, polished brass gramophone horn. The dog is wearing a dark collar with gold studs. The gramophone is made of wood and has a large, flared horn. The background is dark and out of focus.

Ovaj izbor za vašu fonoteku kontinuirano će se proširivati a razlikuje se od uobičajenih formata. Nisu zastupljene samo legendarne ili referentne izvedbe oko kojih se svi znalci slažu (npr. Beethovenov „Fidelio“ za Klepererom), a niti su nanizana najvažnija djela i potom ponuđen nečiji osobni izbor. Nastojali smo napraviti ravnojesje između ta dva pristupa tako da ipak svi najvažniji skladatelji i njihovi opusi budu zastupljeni, ali da ipak ne dajemo prijedlog ako takve izvedbe uopće nema usprkos značaju djela (npr. Beethovenova „Deveta simfonija“). U drugu ruku, neka djela su zastupljena nizom sjajnih izvedbi, pa smo ipak morali napraviti „subjektivni“ odabir (npr. Mozartovi klavirski koncerti ili Beethovenov „Violinski koncert“).
